| SER0119949 | Service Request - Nuisance, Not Otherwise ListedSER0119949 | I believe it is illegal to operate an auto repair business out of your home. I think this home is conducting those kind of activities. There are constantly always different vehicles there and he is always towing vehicles to the home and is always in the garage working with loud equipment like air guns to replace tires, letting vehicles run forever, thus causing all the dogs in the neighborhood to bark, just any noise associated with what an auto repair shop would be. This needs to stop as it's totally a nuisance and is annoying all of us neighbors and it is constant 7 days a week from sun up to sun down. The one image attached is the the truck and trailer he uses to tow vehicles here and he parks it all over the neighborhood. The other image shows every single vehicle associated with his house today. | SER0120336 | Service Request -<br>Homeless<br>ConcernsSER0120336 | There have been several people sleeping in the day and nighttime's over the past few weeks under the tree on the south side of the wooden fence of my apartment building at 58 Vine (cross street Jones). I live in apt 10 and it is on the edge - the front door faces the fence. It is an empty lot next-door. I have witnessed what appears to be meth use - smoking from a glass pipe without pot smell, as well as marijuana and alcohol use indicated by empty alcohol bottles. There is trash and belongings littering the area. My landlord says they can do nothing as they do not own the land. The police responded one day and spoke with a man who had slept overnight under the tree. The said they could not force him to leave unless the land owner requested it. I don't know who owns the land. | 819 Jones St, Reno, NV<br>89503 | Closed | Code Enforcement | 2026-03-04 11:51:20 |             |
