		<p>Valley Just a heads up, I submitted a Reno Direct request concerning some overgrown trees at 595 Valley. I'm not sure if they fall under City jurisdiction based on location, but they do impinge on the roadway and have the potential to cause damage to our apparatus and other large vehicles. If it isn't a Reno Direct issue, I believe it'll probably be a code enforcement issue. I don't think there is anything that needs to be done right now, but I'll keep you posted.</p> <p>Jason</p>

We recently added material to the planters, street side and building side, it appears as if there is a lot of water coming out of the down spout of the bowling stadium that is washing away the material and creating a mess on the sidewalk and street.
