SER0121352	Service Request - Park Issues - Trash, Vegetation, Lighting, Turf, RepairsSER0121352	Neighbor has left a urinated/feces stained Mattress sitting out in the front yard. This neighborhood is not a city dump and these people at this address are renters as we have tried many times to get a hold of the owner of the property to get these people out of our neighborhood. This address has brought rodents to our neighborhood when we had "no" issues whatsoever and it's because of them being allowed to acclimate trash in their backyard and now we have an eyesore out front, this is a violation of city codes and they must remove it and the city would be wise to make them clean the dump site they have made in the backyard. Again we never had rodents until these legitimate hoarders moved in to our little neighborhood and we neighbors have no way of contacting the legal owner of the home and the renter has been	4045 Weeping Willow Ct, Reno, NV 89502	Open	Code Enforcement	2026-03-13 13:09:23

That shortening of operating hours was in fact due to a years ago community amenities abuses that were occurring by juvenile family members of one of our past resident community managers that Reno</p>
