SER0123732	Service Request - Homeless Concerns on Private PropertySER0123732	Increasing camping and people with signs begging. I live behind this center in Smithridge Greens and they are camping along Smithridge at night and in the pathways between the center and out condos. They are leaving baskets and garbage all along our alley network, The problem was dealt with a month or so ago and has begun rebuilding itself. Trader Joes is a Mecca for those whom are both homeless or want to appear homeless to seek other people's money. Since it does attract homeless that think they can move into the alleys and streets and Jamaica Park in the area... It causes problems. I would really like you to do some pressure again on the Trader Joes parking lot to keep them from getting comfortable. SER0123904	Theta Chi 1104 Ralston St. - Post 4/6/26 meeting - Zoning ViolationSER0123904	<p>Hello Frank and City of Reno Team,</p> <p>We came home after our meeting today (4-6-26 at 4pm) to find an advertisement for the 1104 Ralston Street fraternity gathering hanging from the main entrance to the Theta Chi house (see photo attachment). We have countless documentation to show that this property is being used as a fraternity house and Theta Chi is "active" in the residence. This violates the zoning laws for this neighborhood and is a code violation. We are not advocating for any code modification but rather that all fraternity activity cease in order to be in alignment with zoning laws for our neighborhood.</p> <p>If this banner isn't hanging when Code Enforcement arrives, it doesn't mean that the house is not being used as the fraternity</p>	1104 Ralston St, Reno, NV 89503	Open	Code Enforcement	2026-04-06 20:31:11

SER0124256	Service Request - Building - Vacant/Blighted/Unsecured reSER0124256	The old River Inn property looks like a junk yard. For a brief time, it seemed the owners were at least attempting to keep some of the junk organized. Now the property just looks like a garbage dump again. Is there anything that can be done about this eye sore? I continue to be concerned that a fire will start amongst the mess and that fire will spread beyond their property. Are there any rules that would limit the number of derelict vehicles and pieces of equipment that can be stored there?	9400 W 4th St, Reno, NV 89523	Open	Code Enforcement	2026-04-09 12:41:42

SER0124260	Service Request - Fire Code ViolationSER0124260	The old River Inn on W. 4th Street has been an eyesore for decades. The current owners have made the site increasingly dangerous. The owners of the old River Inn are now planning to host another public event at the site. I understand they are having a fundraiser for Eddie Lorton on April 22nd. How are they allowed to invite the public into a building without a certificate of occupancy? I understand that the building does not have a working fire system nor functioning bathrooms. In the past, they have used propane patio heaters INSIDE of the wooden building. The owners are disregarding the safety of their guests. If a fire does start, the risk of it spreading to the neighboring properties is high. I'd appreciate a note back explaining the regulations around such an event and letting me know why they are repeatedly allowed to	9384 W 4th St, Reno, NV 89523	Closed	Code Enforcement	2026-04-09 12:44:07
