SER0126039	Service Request - Park Issues - Trash, Vegetation, Lighting, Turf, RepairsSER0126039	<p>Failure To Comply With Previous Corrective Notice</p> <p>I filed a complaint a few weeks ago about my neighbor putting her trash out too early, she was sent a letter telling her to stop, but she continues to put it out too early. Her name is Amy Killion, we both live in a house that has been turned into seperate units, so we are at the same address of 235 w plumb lane, her unit is Unit #2. My unit is Unit #1. Previously, the issue was she was putting it out 2 full days before pickup, after the letter was sent, she started putting it out at 7am the day before. Our pickup is 8am Mondays and she is putting the can out 7am Sundays, so still a full 24 hours ahead of pickup, roughly 12 hours before anyone else in the neighborhood puts their can out, including myself. SER0126045	Service Request - Debris on Private PropertySER0126045	I am writing on behalf of my boss who is the owner at 730 Tahoe st. Mr. Duke, To clarify he is not associated with Graceful Beauty that is auto populating. However, he owns 730 Tahoe Street in midtown. Garbage cans are still being left in the right of way at times that are not within the trash window. The trashcans are on the fence at 730 Tahoe street. When these trashcans are left outside of the trash collection window sometimes trash will blow or be riffled through and move into his private property or the right of way. Our intention is keep the area clean and avoid larger problems that have occurred in the past. We have attached photos of cans that were left Saturday April 25th which is outside of the trash window.		Open	Code Enforcement	2026-04-26 18:25:21
